

# The Florida Medical Association & The Florida Agency for Health Care Administration Present:

## The EHR Best Practice Series™ How to Best Select & Purchase an EHR

Selecting an Electronic Health Record (EHR) system can be a costly, time-consuming process. With more than 250 EHR vendors in the marketplace, where do you begin? How do you safeguard against the risks of EHR implementation?

**EVENT DATE & TIME: Monday, February 2, 2009 ■ 6:00pm - 8:30pm**

**LOCATION: Bascom Palmer Eye Institute – Main Auditorium • 900 N.W. 17th Street • Miami, Florida 33136**

**AGENDA - Each attendee will receive an EHR Selection Handbook \*Limited supply, must be present to receive.**

**6:00 - 6:05pm Welcome!** Tina Nye, M.S., Director, Florida Center for Health Information and Policy Analysis, Agency for Health Care Administration

**6:05 – 6:15pm Florida HISPC Provider Education Toolkit Pilot,** Diane Leiva, Ph.D., Project Coordinator, Agency for Health Care Administration

**Objective:** Present the HISPC Provider Education Collaborative and State Toolkit

**6:15 – 6:35pm Promoting Health Information Exchange at State Level,** Christopher Sullivan, Ph.D., Administrator, Office of Health Information Technology, Florida Center for Health Information and Policy Analysis, Agency for Health Care Administration

**Objective:** This presentation will cover the scope of health information exchange from e-prescribing to state level networks. It will focus on the inherent security and transaction benefits of using a health information exchange and will present initiatives that the State of Florida has sponsored to promote the development of health information exchange across the state.

**6:35 – 6:50pm Electronic Health Records in the Miami-Dade Free Clinics,** Ari Entin, Director of Information Technology, Miami-Dade County Health Department

**Objective:** Present the development and status of EHR in Miami-Dade's Free Clinics

**6:50 – 7:10pm EHR101: Lessons Learned from a Practice Administrator**

**Objective:** Provide real-life perspective of what it takes to implement an EHR. Discuss short and long-term benefits (ROI), change management issues. Provide overview of EHR applied to physician and administrator's daily routine.

**7:20 – 8:00pm Best Practices for Selection and Implementation,** Scott Heaton, VP of Business Development, Maxwell IT

**Objective:** Present overview of recommended selection criteria and methodology to identify potential vendors. Learn how to build a 5-year budget model that calculates all direct and indirect costs associated with purchase, as well as cost savings, and how to compare vendors.

**8:00 – 8:30pm Physician Office Lab/Selection Handbook**

**Objective:** Provide attendees with an opportunity to experience technology first-hand. Create an environment for physicians and administrators to speak to experts directly and share their own experience. Each attendee will receive an EHR Selection Handbook, a planning kit to help kick-start their own process.

**COST:** This vendor-neutral program is complimentary to physicians, administrators and their practice staffs.
