

Florida HIE Subscription Agreements Overview of Proposed Changes February 20, 2015

**Florida Health Information Exchange
Coordinating Committee**

Schedule of Revision Review and Adoption

- PLU User Group October 30, 2014
- Legal Work Group December 12, 2014
 - comments due January 15, 2015
- HIECC February 20, 2015
- Advisory Council March 2015
- Execute Agreements June 2015

Patient Look-Up Agreement

- Add term and termination provision
- Delete “only” regarding vendor role
- Remove ONC whereas statement
- Minimum technical requirements, remove VMware Player; “unless Vendor provides”
- Remove discount for ENS participation
- Change formatting of address for notice
- Eliminate cross reference to date of price list

Terms and Conditions

- HIPAA Regulations definition, insert “and”
- Consumer complaints, remove “impacted” and correct typo to “date of referral”

Event Notification Service Agreement

- “Whereas” included that the purpose of ENS is to support coordination of care
- Add provision for health plans to accept acknowledgement of hospital copies
- Provides for optional reporting of observation visits, urgent care visits, and admissions data
- Requires exclusion of restricted self-pay encounter data; clarify rationale for optional filtering all self-pay patients

Event Notification Service Agreement

- Clarify permitted purposes for health care operations
- Eliminate cross reference to date of price list
- Remove in perpetuity from term and termination section and add prior written notice
- Change formatting of Attachment A
- Capitalize defined terms
