

Contract Renewal Update

May 16, 2014

**Florida Health Information Exchange
Coordinating Committee**

Background

- ONC Cooperative Agreement funding ended September 30, 2013
- HIE vendor collects user fees to sustain operations
- HIE vendor contract ends June 30, 2014 unless renewed (3 year renewal permitted)
- Agency has obtained approval of funding request to the Centers for Medicare and Medicaid Services (CMS) for facilitated onboarding to increase hospitals participating in PLU

Maintenance Contract

- Keep principle of lean infrastructure
- Focus on maintenance of built infrastructure and services
- Deliverables are service level agreements
- Budget being finalized – expected to be between \$1.5 and \$2.0 million for FY 2014-15
- Assess sustainability status monthly
 - Each service must be sustainable long term
 - Continue to seek balance of health care provider and payer support
